Progress and passion

For over 20 years the name rewaco stands for progress and passion in the production of Trikes. Driven by passion and enthusiasm rewaco develops permanently new solutions and creative opportunities for technology and design.

rewaco Trikes are manufactured by hand craft. In this process high-quality industrial products and individually manufactured components form a sustainable bond. This combination creates a unique driving pleasure, which our customers expect from a rewaco Trike.

rewaco Trikes are offered through an efficient dealer network as well as exclusive importers in Europe, Asia, Australia, USA, Canada and many other countries.

If you want to explore the unknown and if the average will no longer be enough ask for the special. Make an adventure out of the street.

We look forward to seeing you.
